Staff/Intern in Grants and Fundraising, Jun 2016- Dec 2016

- Created educational coding videos on the language of PHP.
- Made practice tests and answer keys for individuals learning the courses.
- Created activities in the subject of PHP to help enhance the learning and further solidify the subject for users.
- Went to various popular locations to discuss fundraising and set up fundraisers.
- Sent emails to large companies to apply for grants to help boost the organization.

COMMUNITY SERVICE AND VOLUNTEERING

Presidential Volunteer Service Award Bronze Medal, 2015

- 50+ hours of volunteering for the Youth Competitive Programming Circle, California Scholarship Federation, as well as other small clubs and organizations to assist students and help around in the community.

Presidential Volunteer Service Award Gold Medal, 2016

- 100+ hours of volunteering for the City of San Ramon, Youth Competitive Programming Circle, California Scholarship Federation, and many other small clubs and organizations to assist other students and create educational courses while helping out in the community.

National Honor Society, 2017-2018

- Selected to be part of the National Honor Society club at Dougherty Valley High School. Volunteer in numerous events which benefit the community as a whole.

LEADERSHIP

Staff at Youth Competitive Programming Circle, 2016

- Staff member of a state-wide non-profit organization funded by Microsoft, Slack, and Github, designed to encourage coding literacy in youth. Initiated and directed the expansion of a local internship program for all high-school youth in the Contra Costa County. Conducted interviews for the interns and set up meetings to coordinate the tasks that needed to be completed.

CLUBS

Science Olympiad, 2015 - 2018

- Building Captain for the Science Olympiad Club at Dougherty Valley. Create schedules and direct building events to remind members of upcoming deadlines for their individual contest. Participate in 3-4 events and study throughout the year for the annual competition held at California State University.

Science Alliance, 2016- 2018

- Activities officer and mentor for the Science Alliance club at Dougherty Valley. Assist elementary students from different schools in the community to help them put together a project for their upcoming science fair.

National Honor Society, 2017-2018

- An active member and on track to be a 100% lifetime member. Volunteered in various activities from tutoring to assisting International Festivals.

National History Day, 2017-2018

- Treasurer for the National History Day club at Dougherty Valley. Manage club funds and help guide club members to be prepared for the annual competition.

California Scholarship Federation (CSF), 2015 - 2018

- An active member and on track to be a 100% lifetime member. Volunteered in various activities from tutoring to assisting International Festivals.

Technovation, 2015 - 2017

- Team Representative for the Technovation club at Dougherty Valley. Create apps using languages such as Xcode, Swift, and C# to participate in the annual Technovation Challenge, as well as a business plan to present and explain how the app works.

Distributing Education Club of America (DECA), 2015 - 2016

- Attended prep sessions throughout the year while preparing for the competition in January. Competed in the Business Law and Ethics Team Decision Making event at the Northern California Career Development Center, and was a finalist in the roleplay section of the event.

Project SmARTs, 2015 - 2016

- Volunteered at different workshops hosted by elementary schools to interest students in the subjects of art and music.

ARTS AND MUSIC

Violin, 2007 - 2016

- 1st violin of the Dougherty Valley High School Orchestra. Performed in local recitals, community events, as well as on tour (Disneyland, Great America, Art & Wind Festival).

ATHLETICS
